prosper and another to wither How did Evansville become the largest and most influential city in the region How did smaller cities such as Owensboro and Paducah succeed Regardless of how appealing a locale looked on the map luck fate culture and leadership all helped determine success or failure The fate of Cairo Illinois on paper an ideal site for a metropolis emphasizes the extent to which human decisions rather than physical landscape affected a town s prosperity The location of a canal or railroad terminus the construction of a factory or the activities of local boosters all mattered greatly Darrel Bigham examines these towns and villages from the 1790s when the first settlements appeared to the 1920s when the modern pattern of life associated with automobiles economic upheaval and mass culture emerged Bigham s intimate knowledge of the area offers a true sense of the towns and villages and discloses fundamental truths about the workings of the American dream *The Courses of the Ohio River Taken by Lt.
